

2011

NEW ENGLAND GO PLAY!

SPRING/SUMMER MAP

ACTIVITIES • ATTRACTIONS • DINING & SHOPPING IN NEW ENGLAND

Reach more visitors with CTM's widely distributed New England Spring/Summer Travel Map.

Showcase your services, resorts, events and attractions to area travelers and locals looking for things to do and unique experiences during the summer months.

CTM Media Group is the expert in developing visitor maps, producing over 2.6 million each year in over 10 markets. Maps provide a great sense of safety and security for tourists, assist visitors in planning their vacation, day trips or weekend getaways and are the #1 moving item in the stands.

150,000 Go Play! New England Travel Maps will be distributed (while they last!) at over **1,000** targeted CTM distribution points and through the **Etractions.com** store during peak travel season beginning in May 2011.

All map ad purchases include a map locator with your phone number and web address PLUS a Mobile Text Message Program (140 character message) to deliver timely updates and special offers to map users during the travel season.
