FACT #1:

Several thousand business travelers, tourists and convention-attendees pass through the Minneapolis / St. Paul airport terminals every day.

FACT #2:

They're looking for great places to eat & drink, some serious shopping, & the best in entertainment, attractions & recreation.

FACT #3:

Unlike expensive news-paper and magazine advertising rates that keep skyrocketing, our "eye-catching" displays are affordable and work to promote your business 24/7.

FACT #4:

When CTM displays your advertising brochure at the airport terminals, you get an instant "mini-billboard" that gets noticed by travelers.

FACT #5:

Only CTM specializes in advertising to business travelers and tourists throughout the Twin Cities and greater Minnesota. Our objective: to point them to your front door (and also to your website).
